Please be advised that on May 10, 1994, the Florida Branch Council approved the following waiver regarding the payment of travel time for the production of theatrical and television entertainment films located in and around the State of South Carolina. The waiver is as follows:

"When a performer residing in an area other than California or New York (or any other Branch which does not desire to be included in this waiver) is engaged as a Day Performer under the Screen Actors Guild Theatrical or Television Agreements, and is required by the Producer to travel to an overnight location that is within a 500 mile radius of the performer's residence, the performer shall receive the following:

1) Transportation to and from location.

2) Lodging and per diem while on location if the performer is required to stay overnight.

The Producer does not have to pay travel time to the performer for travel to and from the Producer's location on days when no other services are rendered.

Performers residing in areas not included in this waiver shall be entitled to all payments as set forth in the 'Travel Time' Section of the Basic Agreement."

If you have any questions regarding this waiver please contact Arleene Avila at 305 670-7677.

Sincerely,
